About Camp Ivy

Camp Ivy is the realization of a vision by Ivy Lockett. Mrs. Lockett is a diabetic herself and as a child dreamed of being able to attend a camp for children with diabetes. She yearned for an opportunity to play and participate in normal camp activities and realized that information on diabetes would be more appealing and easier to listen to if provided in a fun-filled atmosphere.

In 1981, Ivy Lockett established Camp Ivy with these goals in mind. For twenty seven years, the camp has offered children (ages 3-18), friends, and family a week of entertainment interspersed with helpful tips for diabetic care and prevention.

Camp Ivy is a non-profit organization that is funded by private donations and fundraising events.

Camp Activities

Swimming

Biking

Nature Walks

Group Games

Arts and Crafts

Field Day Activities

Daily Educational Programs

Monday- representative of Nordisk will offer a lesson on blood sugar and other related topics

Tuesday—Clowns from New Hope Baptist Church will entertain us.

Wednesday- Dr. Schreck, pediatric podiatrist and member of the Juvenile Diabetes Research Foundation will spend the afternoon providing practical information. His dog, Toby, will come to assist him! Lynn Leo, from Henry Medical center will discuss healthy eating choices.

Thursday- Dr. Kevin Napier, internist from Griffin will be here to explain how diabetes affects our bodies & what kids can do to control their diabetes.

Friday- Internist, Dr. Mark Crump will speak on diabetes and offer helpful hints. A diabetic himself, Dr. Crump is intimately familiar with the trials and challenges of the disease.

When: July 19th-23rd

9:00 AM to 4:00 PM

Where:

Camp Skipstone

600 Baptist Camp Rd

Griffin, GA 30223-5722

How to Register:

Contact Ivy Lockett

Phone: (678) 688 - 5124

Fax: (770) 412-8976

- *Deadline for registration is July 7, 2010. Campers registering after this date will not receive a goody bag on the last day of camp*
- *All campers wearing the pump must be able to operate it on their own or a parent is required to stay*

Cost per child: \$90.00

Campers should bring a sack lunch each day except for Friday when a picnic lunch will be provided for them.
